Director Hideaki Itsuno and the core team have returned to create the most insane, technically advanced and utterly unmissable action experience of this generation.. como Finding himself without the use of his right arm, Nero enlists Nico, a self-professed weapons artist, to design a variety of unique mechanical Devil Breaker arms to give him extra powers to take on evil demons such as the blood sucking flying Empusa and giant colossus enemy Goliath.. The Devil May Cry 3 campaign was set in front of the events presented in the first installment of the cycle; the player has the opportunity to learn more about Dante's past and his conflict with his brother Vergil.
